CMA/CFM Review

Cost Management: Accounting and Control emphasizes that changing conditions often require a change in cost management systems. Emphasizing this point stresses the dynamic and exciting nature of the field. By taking a systems approach -- one that first covers functional-based cost and control and then activity-based cost systems -- students understand how to understand and manage any cost management system.

A poignant novel about a biracial girl living in the suburbs of Las Vegas examines the friendships that grow out of, and despite, her race.

The Inside Track to Careers in Accounting

This text has been written so that it is current with all issues inherent in accounting and auditing practice, particularly in public accounting firms including coverage of the creation of the Public Companies Accounting Oversight Board, the passage of the Sarbanes-Oxley Act, and all of the major pronouncements issued by the AICPA. The text is also designed to provide flexibility for instructors; the twelve chapters focus on the auditing process while the eight modules provide additional topics that can be taught at the instructors' discretion without interrupting the flow of the text.

In Everyday Harumi, now reissued as an attractive jacketed paperback, Harumi Kurihara, Japan's most popular cookery writer, selects her favourite foods and presents more than 60 new home-style recipes for you to make for family and friends. Harumi wants everyone to be able to make her recipes and she demonstrates how easy it is to cook Japanese food for every day occasions without needing to shop at specialist food stores. Using many of her favourite ingredients, Harumi presents recipes for soups, starters, snacks, party dishes, main courses and family feasts that are quick and simple to prepare, all presented in her effortless, down-to-earth and unpretentious approach to stylish living and eating. Every recipe is photographed and includes beautiful step-by-step instructions that show key Japanese cooking techniques. Texture and flavour are important to Japanese food and Harumi takes you through the basic sauces you can make at home and the staples you should have in your store cupboard. Photographed by award-winning photographer Jason Lowe, this warm and approachable cookbook invites you to cook and share Japanese food in a simple and elegant style.
