God Help Me Overcome My Circumstances Learning To Depend More Fully On Him Leading The Way Through The Bible Introduction

God, Help Me Overcome My Circumstances

We all go through seasons of struggle and testing. Regardless of our faith and our faithfulness to the Lord, adversity comes to us all. In *God, Help Me Overcome My Circumstances*, Michael Youssef draws principles from the book of Judges that help us understand how our difficult seasons of life lead to spiritual growth and maturity. We may fear and dislike the circumstances we are in, but they are temporary and serve a positive purpose. They are meant to unmask our pride in our own abilities break down our self-sufficiency reinforce our utter dependence on God Dr. Youssef reminds us that when setbacks come, it's not time to fear or question why. It's time to recommit ourselves in faith to God and learn to depend more fully on Him.

I Love Jesus, But I Want to Die

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her

story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Jesus in Me

USA TODAY, PUBLISHERS WEEKLY AND ECPA BESTSELLER • The internationally recognized Bible teacher and daughter of Billy Graham combines unique biblical insights and her own personal stories to show how the Holy Spirit guides us in our decisions, comforts us in pain, and stays by our side at all times, enriching our daily lives. In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity. As Anne writes, “One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life’s journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengtheners, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me.” Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives. Praise for *Jesus in Me* “With plentiful biblical references, Lotz encourages those who already rely on Jesus to step into a purpose-filled life led by the Holy’s Spirit’s guidance. Christians who desire to live a life of greater purpose to glorify God will be awed by Lotz’s impassioned exploration of the role of the Holy Spirit in her life.”—Publishers Weekly

The Bondage Breaker

In *101 Reflections*, Dennis Lynn has adapted his teaching style to the written page. He uses personal experiences and simple illustrations to teach biblical truth dealing with everyday life experiences and challenges. His purpose is to challenge, encourage, comfort, and entertain the reader. For the first twelve years of his professional life, Dennis Lynn worked as a teacher and a coach on a secondary level in the public schools of South Carolina. For six of those years he had the opportunity to work under the leadership of a high school coaching legend in South Carolina, Coach Willie Varner. Coach Varner said, "I do not care how much you know or how well you can draw plays on the board. All I care about is how much you can teach the young men under your direction." This proved to be a valuable lesson Dennis took with him into ministry. From the beginning of his ministry, Dennis realized people in the pew were not interested in how much he had learned in seminary or how vast a theological vocabulary he had. They wanted someone who could take the Word of God and present it in a manner they could understand and apply in their daily lives. For thirty years, Dennis has faithfully provided this type of teaching.

The Purpose Driven Life

A clear and frank exploration of the future of Christianity and whether it needs to be saved. We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented--or even reimagined--in order to save it. With *Newsweek* declaring "The Decline and Fall of Christian America" on its cover and *The Daily Beast* questioning "Does Christianity Have a Future?" bloggers and Christian commentators are discussing whether we need a "new of kind of Christianity." In *Saving Christianity?* Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity's recent past explored the very same question. *Saving Christianity?* will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible. We dare not abandon this "mere faith," as Dr. Youssef describes it, because it is the light for all humanity--and especially for those of us living in today's chaotic times. After reading *Saving Christianity?* you'll have a renewed confidence in the future of the church and the central place it will occupy for generations to come.

The Wiersbe Bible Commentary: Old Testament

This guide is specifically designed to be used in a church environment with support groups. It offers the teacher practical and biblical guidance in an easy to follow format. As you lead your participants through this study, encouraged them to look to Christ for the power they will need to overcome. Through this 13 week Study Guide participants will learn the following: WEEK 1 - INTRODUCTION TO THE PROGRAM Programs can't heal people but Jesus can. Everyone's journey is going to be different and will take a different amount of time. WEEK 2 - GOD'S PLAN IS RESTORATION We start in Genesis to show God's plan of restoration. Through this we see what man was like before sin entered the world, after the fall and how God plans to restore us. WEEK 3 - OVERCOMING DENIAL WITH GOD'S HELP We like to think we can handle things on our own. When we can't, we begin to place the blame on others. This lesson teaches us how to own our behavior and take responsibility for it. We can't live in denial and Jesus has the power to help us learn to live with responsibility WEEK 4 - LEARNING TO TRUST GOD The picture of God we each have will often look like our most dominant parental figure. That picture of God is almost always incorrect. This week we examine who God really is by looking at His character. We will then determine if it makes Him

trustworthy enough to place our faith in. **WEEK 5 - MAKING A COMMITMENT TO CHANGE** Change most often happens when we hurt too much to stay the way we are. Change takes a strong commitment. We will explore what a commitment to God and ourselves looks like. **WEEK 6 - THE TRUTH ABOUT DEPENDENCY** Dependency is usually looked at as negative. We will look at dependency in a more constructive light because it's not always a bad thing. Dependency on God is a good thing. **WEEK 7 - COMPULSIVE BEHAVIOR** Dependency on the wrong things happens when we decide not to depend on God. The wrong kind of dependency often turns into compulsive behaviors. Looking at the characteristics of compulsive behavior helps us identify compulsion in our own life and seek to overcome it. **WEEK 8 - THE CHEMISTRY OF COMPULSIVE BEHAVIOR** This week is all about the chemistry in our body that helps to cause us to become compulsive with a behavior. **WEEK 9 - OBSTACLES AND BOUNDARIES** We all have obstacles to overcome in life. Learning how to put boundaries in our life is important. Boundaries give us respect for ourselves and communicate our worth to others. **WEEK 10 - SHAME, GOOD OR BAD?** We each have a standard in our mind of what we believe to be normal behavior. When we don't feel we are at that standard we consider ourselves "not normal." That feeling of being unacceptable communicates a message that we should feel ashamed. Although, everyone experiences shame, we will look at what living a shame based life can do to a person. **WEEK 11 - LOOKING FOR A SCAPEGOAT** Shame teaches us to feel bad about ourselves and to look for someone else to blame. We transfer our shame to others in many different ways. God knew we would struggle with shame and gave us a way to deal with it. **WEEK 12 - REPLACING SHAME WITH HONOR** This week is all about riding ourselves of shame the way God does ...by replacing it with great honor. **WEEK 13 - FINDING THE BLESSING** A blessing is the message that you are somebody. That you are special, needed and wanted. It's the message that you have great value. We each look to our parents to tell us that we are okay; we are important and have worth. When the blessing isn't given to us by our parents, we will look for it elsewhere. We will look for approval from a boyfriend/girlfriend, spouse, employer, teacher, friend, etc. This week we will learn to look to God for the blessing we missed.

The Sure Cure for Worry

In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man's heart—and of the peace he eventually found in Jesus. "I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book."—Ravi Zacharias

STUMBLING UPON THE SPIRITUAL PATH

In *"The Thomas Factor,"* Gary R. Habermas presents a transformative exploration of religious doubt and its potential as a catalyst for spiritual growth. This insightful book delves into the often misunderstood territory of doubt, revealing how it can be harnessed as a powerful tool for deepening one's faith and drawing closer to God. Habermas, with his extensive experience and empathetic approach, offers a lifeline to believers struggling with uncertainties in their spiritual journey. At the heart of the book is the dissection of three types of doubt: factual, emotional, and volitional. Habermas, through his own experiences and those of the

individuals he has counseled, demonstrates that doubts are not a sign of weak faith but rather an opportunity for profound personal growth. He skillfully navigates the reader through the complexities of each doubt type, providing practical strategies for overcoming them. The book is enriched with examples from both the Old and New Testaments, showcasing that doubt has been a constant companion of even the most steadfast believers throughout history. In debunking common myths about doubting, Habermas sets the stage for building a resilient foundation for faith. Practical chapters guide the reader in developing a tailored strategy to address their doubts. This includes disciplines like prayer, Scripture memorization, journaling, and practicing Christian behavior. Habermas emphasizes that working through doubts is not just an intellectual exercise but involves the whole person — emotions, will, and intellect. "The Thomas Factor" does not shy away from the tougher aspects of theological inquiry. It addresses why theological differences exist and how to live with unanswered questions, thus equipping the reader to navigate the diverse landscape of Christian thought. Habermas concludes with a thoughtful discussion on the negative and positive consequences of doubt. He illustrates how doubt, when approached correctly, can lead to a stronger, more authentic faith, likening the process to refining gold. This book is an invaluable resource for anyone grappling with doubts about their faith. It offers not only solace and understanding but also practical tools for turning doubt into a stepping stone towards a more intimate and robust relationship with God. Target Audience: "The Thomas Factor" is ideal for Christians at any stage of their faith journey, particularly those wrestling with doubts or seeking a deeper understanding of their beliefs. It is also a valuable resource for pastors, counselors, and lay leaders who provide spiritual guidance and support.

Restoration Road Session 1 Teacher's Guide

Devil. Great deceiver. Evil one. Father of lies. Satan. Many names. One enemy. And whether you realize it or not, you are on a spiritual battlefield with this enemy every day. How do you prepare to defend yourself? In *Conquer*, Michael Youssef says you first need to know everything you can about your enemy. What are Satan's strengths? What are his weaknesses? How does he like to attack? When is he most likely to attack? Are there areas of your life where you are vulnerable and he seems to control the battlefield? Only when you know your enemy inside and out can you plan and carry out a specific counterattack to defeat him. The final victory will be Christ's, of course. That's a promise from God. But as a Christian, you can actively take part in resisting the devil...and watching him flee.

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? In this classic study, J. I. Packer shows how false

both these attitudes are. In a careful review of the biblical evidence, he demonstrates how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it.

Seeking Allah, Finding Jesus

For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way you feel, and in turn you can change your life completely.
